Applicants continue to respectfully disagree with and traverse this rejection for the reasons of record. Accordingly, this rejection has been rendered moot, and Applicants respectfully request its withdrawal as to claims 2-5.

**III. Conclusion**

Applicants respectfully submit that the foregoing amendment and remarks have placed claims 2-5 in condition for allowance. Applicants further submit that the

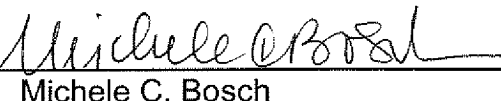

proposed amendment of claim 2 does not raise any new issue or necessitate the undertaking of any additional search of the art by the Examiner, since all of the elements and their relationships claimed were either earlier claimed or inherent in the claims as examined. Accordingly, Applicants respectfully request reconsideration of this application and the timely allowance of pending claims 2-5.
